

Denise Alrey - Director

RN, RM, B.Nursing, Cert IV Workplace Assessment & Training, Crit. Care Cert.
MRCNA, MACCCN, MAAMHP

Denise started the education service in July 1994 and since then has been instrumental in developing a professional customer-focused business. Denise possesses 28 years experience in the health industry including such specialties as Education, Resuscitation, Intensive Care, Midwifery & Thoracic-Respiratory Medicine.

Denise is a Registered Nurse/Midwife with a Bachelor of Nursing & Critical Care qualifications. Denise has a Cert IV in Workplace Assessment & Training, is a Certified CPR Instructor & is currently undertaking a Grad Diploma (Further Education & Training). She is a Member of the Royal College of Nursing, Australia (RCNA) as well as the Australian College of Critical Care Nurses Ltd (ACCCN) and Australian Association of the Manual Handling of People (AAMHP).

Denise is a dynamic presenter with a passion for education! She is driven by her main goal which is to provide high quality, cost-effective training which is accessible to all healthcare professionals. Denise believes education and training is the foundation upon which all strong organisations & careers are built. She frequently travels to numerous health care facilities throughout the state as well as to Sydney and Melbourne to deliver training programs for Corporate Clients (e.g. hospitals, health care service providers, health care businesses etc).

Attendance at HealthCare Training Service courses/workshops earns participants Continuing Nursing Education (CNE) points, as part of the Royal College of Nursing, Australia (RCNA) Lifelong Learning Program 3LP.

These courses/workshops have been endorsed by APEC No. 050422109 as authorised by RCNA according to approved criteria.

HealthCare Training Service

Providing your onsite training needs

...helping Health Care Professionals to help others!

HealthCare Training Service

HealthCare Training Service is an Australian owned and operated training and professional development service. The HCTS team is dedicated to providing high quality outcome-focused service to our customers.

The training business was established in 1994 and has steadily grown in both scope and reputation over the years. HealthCare Training Service is owned and operated by Denise Airey. In addition our team consists of an expert group of Education Consultants.

Some of the services our professional team can provide for **your** organisation include the following:

Training Programs

HealthCare Training Service are able to provide a range of excellent workshops and courses onsite in your facility. Further, our courses attract CNE points as part of the RCNA Lifelong Learning Program.

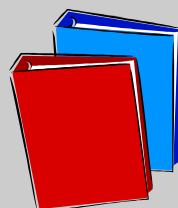

Our team can develop a workshop to specifically target your needs, we can highlight identified learning opportunities & high priority areas, build in policy requirements and deliver the information to staff at a time to suit your organisation.

HealthCare Training Service's Advanced Life Support Course has national accreditation through the **Australian Resuscitation Council (2007)**.

Organisational Consultations/Services

HCTS is available to healthcare organisations on a consultancy basis. Our expertise includes...

- Consultation to assist organisations to develop a comprehensive Education Plan
- Development of learning materials (e.g. Self-Directed Learning Packages)
- Competency Assessment Development
